## Finance Monthly Game Changers Awards 2017

Finance Monthly is delighted to announce that its first eagerly anticipated 2017 Game Changers Awards Edition is now published.

The 2017 Game Changers Awards celebrate the success, innovation and strategic vision of some of the world's most recognised professionals across a wide variety of sectors and industries.

Over a period of several months Finance Monthly's research department has undertaken extensive research to identify some of the most resourceful and forward-thinking leaders in business today. The final result is a publication detailing individuals who think outside the box, deliver results and have achieved considerable success in their respective sectors.

Editor-in-chief, Mark Palmer commented: *"An individual with passion, vision and a strategic plan can achieve great things. An individual who dares to be bold and challenges convention becomes a Game Changer. We're delighted that the individuals listed within the Finance Monthly Game Changers Awards 2017 lead by example and demonstrate the qualities detailed above - making them worthy of the Game Changer title."*

Finance Monthly would like to thank all contributors and participants in the 2017 Game Changers Awards.

Congratulations to our winners and finalists!
